Dyer Island Cruises offers visitors up-close experiences with whales, seals and other marine life in state-of-the-art boats. Cruises skirt Dyer Island, located 8 km from shore and home to many resident bird species, including African penguins.

Sister company Marine Dynamics is the first shark-cage diving operation to become FTSA-certified and possibly the first to receive responsible tourism certification worldwide. As a responsible operator of these tours Marine Dynamics shark cage diving activities provide learning opportunities and benefit the future conservation of the species.

Dyer Island Cruises and Marine Dynamics are involved extensively in marine conservation. Local school children are exposed to the marine environment through educational tours, and rural women are supported through the Nolwandle craft project. The two companies set the bar for responsible marine adventures in South Africa and globally. They deliver quality experiences to visitors while respecting marine life and conserving the resource base upon which tourism to this very special part of South Africa.
