Mercure Hotel Randburg is on the outskirts of Randburg adjacent to the Brightwater Commons Shopping Centre (previously known as the Randburg Waterfront). This 3-star hotel is situated 30 minutes from OR Tambo International Airport and has 104 air conditioned rooms, breakfast restaurant, bar and 2 conference rooms.

Mercure Hotels are part of the Accor Hospitality Group, operating more than 4000 hotels in 100 countries worldwide. All four Mercure properties (including Bedfordview, Midrand, Nelspruit, and Randburg) stand out for exemplary corporate social responsibility initiatives including skills development, working to prevent child sex tourism and comprehensive HIV/AIDS awareness raising programmes. In addition, the Mercure Hotel Group pursues a policy of procuring products and services from black-empowered and Fairtrade suppliers including Thandi Wines and Bean There Coffee.

With respect to environmental management, all Mercure Hotels record energy and water consumption. In addition, Eskom and Accor Hospitality are sharing power to save energy with the recent launch of a joint campaign to raise awareness on energy challenges in South Africa. In addition to agreement to participate in an Eskom project regarding energy-efficiency in hotels, Mercure properties also take active measures to inform guests of easy steps that can be taken to save energy and make a difference.

"We are proud of the certification of all four Mercure Hotels in South Africa as a demonstration of our commitment to Earth Guest, a global programme that optimises the Group's vision for sustainable development. Although it is tough to remain a leader in a global business environment today, we will continue to value this certification and what it stands for through sustainable and ongoing fair business practices"
